

City of Stamford Department of Health

Safeguarding the Public's Health

How the Drive-through Flu Clinic will work

- You may complete your registration form prior to arrival at the clinic.
- Print and bring your completed registration form.
- If you have Medicare Part B, please bring your Medicare card or a copy of it with you.
- Flu vaccines are for persons 3 year and older.
- High dose flu vaccines are available for eligible adults aged 65 and older.
- Egg free vaccines are available for persons with egg allergies.
- Wear short sleeved or sleeveless garments.
- **This flu clinic will be conducted as a drive-through only. Please remain in your car.**
- Safety precautions will be taken to ensure a safe and healthy environment.
- Face mask or face covering that fits over your nose and mouth must always be worn while on site at the flu clinic. You will not be allowed into the flu vaccination site without a properly fitting mask or face covering on all persons older than 2 years of age.
- Do not bring pets with you in your vehicle.
- Eat something before you arrive at the flu clinic.
- Bring water with you to the flu clinic.
- Although delays may be possible due to potential high demand, we will make every effort to move you through the flu clinic as quickly as possible.
